AUGUST 2026 NEWSLETTER

ART GUILD OF PADUCAH

Our Supporters Bring the Art!

At the Art Guild of Paducah, we are all about promoting local artists and all of the arts in the local area. We have a wonderful community who help support our mission and are vital to our continued success.

In honor of their commitment, the Guild is initiating a new event this year especially for our supporting members who also happen to be excellent artists! See information below about the opening reception for the **Supporting Members Show.**

We'll also getting in the community spirit for the upcoming **Dragon Boat Festival** happening August 29th at the riverfront. Look for our windows change decked out to capture the excitement, as well as a ***Community Dragon*** for aspiring artists to decorate!
