ART GUILD OF PADUCAH

THE SEASON FOR PUPPY LOVE!

It's not a coincidence that they made August National Dog Month! The "dog days of summer" are here! Be extra kind to your pooch this August and remember, our gallery is pet friendly!

There's always a bowl of water outside our door, so take your dog for a walk down to the gallery.

At the AGP we love the puppies, and we'd love to meet yours!

## AUGUST
Valerie Pollard & Karen Utz

Step into a delightful world of whimsy and wonder this August with a special exhibit of art dolls by creators Valerie Pollard and Karen Utz.

Each piece invites you into an imaginative, handcrafted realm where charm and creativity come to life.

Valerie Pollard is a fiber artist who sews, knits and quilts. She finds joy in repurposing old scrappy quilts and clothing, as well as creating with new modern materials from her home in Lower Town Art District in Paducah, KY. Her life long love of creating continues as she explores the world of fiber.

Karen Utz is a contemporary artist whose work dances across multiple mediums. Inspired by bold color, playful patterns, and a touch of whimsy, she brings her vibrant vision to life from her home studio in Paducah, Kentucky.

The show runs through the month of August.

Upcoming:

Town & Country
New works by William Renzulli

"Town & Country" is an exhibition of landscapes and architectural portraits by William Renzulli

Opening date Thursday September 4th, 5pm–7pm. The show will run through September.

"A sense of place is found in the heart, wherever that may be"
