

ART GUILD OF PADUCAH

# It's the Holiday Season!

The rain is gently falling as I write and leaves are beginning to turn color from green to myriad oranges, yellows, and reds. *It must be Fall!* November is already upon us as we watch the days grow shorter and the weather become cooler.

With the change of season, the Guild is wrapping itself in the warmer hues of Fall, turning our thoughts to Thanksgiving and soon Christmas and Hanukkah. We've got **three special events** to get you into the holiday spirit throughout the month of November.
