

**ART GUILD OF PADUCAH**

# Wishing you Peace and Joy!

Come December every year, time begins to build momentum, flashing by as to-do lists lengthen and activities increase exponentially.

The Art Guild of Paducah has been a whirlwind of activity as we set up for the holiday rush. Signs of the season are everywhere — handmade ornaments dangling from decorative trees, gift ideas less than \$100 showcased at the front of the gallery, the front windows festive with wrapped packages and ribbons as well as splashes of red and green.

*It's that time of year! Santa can't be far behind.*

We also serve as Santa's workshop and little helper! The Guild is the perfect place to find one-of-a-kind gifts to last for years to come. All made locally by area artists. Everything from paintings to jewelry, to cozy jackets and sweaters, to baskets, ceramics and lovingly crafted wooden items.

And if your purchase is over \$50 we'll gift you a handmade red and white striped cloth drawstring bag as a gift bag!
