

ART GUILD OF PADUCAH

A New Year's Wish for You!

"IMAGINARY
LANDSCAPE"
CHARLOTTE ERWIN

As we head into a new year there is much to reflect on. The Guild is grateful for all of our patrons and supporters who have given us so much joy. We appreciate every one of you — your encouragement, your comments, your enthusiasm.

The Art Guild of Paducah is successful because of YOU! Whether from near or far, your patronage has made us what we are today — a lively, thriving art-filled gallery that promotes the creativity of the Paducah area through 34 local artists.

I can't think of a better message for the New Year than this from a friend, a message that encapsulates our wish for all of you for 2026:

new adventures, new learning, new memories, new challenges, new opportunities, and new wonder.

Wishing everyone a healthy and prosperous New Year! Please stop by and visit us to see our latest art and events throughout 2026!!
