

ART GUILD OF PADUCAH

There are Some Treats in Store!

The new year brings opportunities for creativity and renewal. At the Art Guild of Paducah, we are looking forward to plans for the coming year, including our annual **BAKE SALE** this month and a members' exhibition celebrating the nation's 250th anniversary, "Americana," happening in June.

We recently completed a gallery makeover. Make plans to come down and see our fresh look! Our community of artists is always evolving and we're excited to welcome two new exhibiting artists to the Guild. We are proud of our presence in the community as we work to earn our reputation recognized as a premier gallery in the region.

This has only been possible through the support and patronage from our community. Your involvement and support are what makes us succeed! That's why we're using February as our community outreach month to invite individuals and families to become Supporting Members. (See more on page two of this newsletter.)

As always, we thank you for your support in the past and for your patronage of the Art Guild of Paducah. You are a valued part of our success! We look forward to your continued support. See you at the gallery!

Become a Supporting Member today!

Supporting Membership helps us continue our mission of promoting local art and serving the community by providing opportunities for enrichment through the visual arts, and encouraging interest and participation in the arts. To become a Supporting Member you don't need artistic talent, just a love for the visual arts!

Membership is \$25 for individuals and \$50 for families. **See the "Join/Support" link at the top of the page (or logo icon at bottom) to become a Supporting Member!**

Supporting Members:

- Receive our monthly newsletter
- Attend our monthly members meeting on the second Sunday of each month
- Receive a 20% discount on classes offered at AGP
- Participate in our annual Supporting Members Show
- Receive an invitation to attend show openings
- Opportunity to teach classes at AGP
- Opportunity to be an active part of AGP's art community
