

ART GUILD OF PADUCAH

Let the Good Times Roll!

What comes to mind as I turn the calendar page to March? Spring is not far away! Daffodils and crocus are already tentatively pushing their heads into the air in anticipation of sunny, warm days that are sure to come.

And then there's always Mardi Gras to remind us, *"Laissez bon temps rouler!"*

February at the gallery was a whirlwind of activity! Our annual Bake Sale was our biggest most successful one yet, thanks to all of you. Bread (lots of it!) and baked goods practically flew out the door on Valentine's Day. By closing time we'd rung up record sales!

I'll be working off all that sugar for the foreseeable future! March brings a couple new classes from the artists here at the Guild as well as our Members Show (see below). Stay tuned for announcements on other classes!

Happy Spring!

"Sip and Pour" Candle Jar Making: Saturday, March 21, 3-7pm
Join instructor Sara Conner for an "Sip and Pour" (Adults 21 and over) concrete candle jar workshop at Evergreen Coffee and Tea.

Embroidery 101: Saturday, March 28, 10am-Noon
Valerie Pollard and Patty Creech will lead a class to teach the basics of this needlecraft.

We loved Sara Conner's "Meditation Garden Gnome" Class!

What a great way to kick off spring! Participants painted and personalized their very own garden gnome to liven up their flower beds!

Sara had a great time showing her group how to apply surface design to these fun "meditating" characters. Each one now has gone home with them, forever reflecting their individuality and sense of humor!
