

ART GUILD OF PADUCAH

Live to Quilt, Quilt to Live!

What an exciting month to be in Paducah! We get to showcase one of our most recognized art forms —the quilt! Quilts and quilters abound during April!

With Quilt Week soon upon us, we celebrate all things having to do with quilts and fiber this month. Our focus on fiber includes **Featured Artist Kerry Bowes** in the front of the gallery. Come see her unique creations in fiber.

The AQS Quilt Show 2026 begins here in Paducah April 22 and continues through April 25. In anticipation, our windows are fitted out to focus on the quilt theme of April as well. In fact, you can cast a vote for the Art Guild of Paducah for best window and help us win \$1,000!

We also will continue our tradition of live demos throughout Quilt Week 2026 as fun way to see how some of these art forms are created with the bonus of meeting the artists. *See the full lineup below!*

As always, we welcome our quilter visitors from around the world as they make their annual trek to the AQS Quilt Show! In Paducah, we understand what quilting brings to life!
