

ART GUILD OF PADUCAH

ECHOES MIRROR
SARA CONNER

Ease into Summer...

We're starting May off with some new classes! Why not make a relaxing evening of it, pouring a candle into a handmade cement candleholder by artist Sara Connor, which you then decorate to your taste. Enjoy a glass of wine, some snacks and dinner to complete the evening as a great way to unwind, create, and even make new friends. It's all happening at Evergreen Coffee House, our partner in this event.

Or come to the Guild for needle felting with artist Patience Renzulli. She'll expertly walk you through the process for a one-of-a-kind felted owl to take home at the end of the class!

Finally, let me extend my thanks and appreciation to everyone who came into the Gallery during Quilt Week to shop and see what we had going on during the event. People really loved the demos, we got lots of comments on our windows (the occasional live artist was a fun surprise!), and the traffic was steady.

You're the best!
