# ★ Peak Summer! ★

"MARBLEHEAD PATRIOT"  
STEFANIE GRAVES

July is here and the country is turning 250 years old! Our **Americana Show** remains up, celebrating all the things we hold dear about our nation. If you've not been in to see it, the exhibition runs through the end of July.

AGP is also planning a celebration of our supporting members who are the backbone of our organization beyond our artist members. To show our appreciation, we're initiating a **Supporting Members Show** for the artists in the group, August 3 through August 31, with an opening reception on Thursday, August 6 from 5 to 7pm.

Please join us as we showcase their work in this premiere exhibition for supporting members.

*Wherever your summer travel plans take you, I hope you include at least one trip to visit us at the gallery!  
We look forward to seeing you.  
Have a spectacular summer!*
